SUMMARY

For more than 4 years I have been developing bots on Discord with JavaScript. I can improve myself and learn new things easily.

EXPERIENCE

Full-stack Developer / Founder
Discord SFX   October 2023- Present，discordsfx.com
• I made the website using Next.js and Node.js/SQLite. I completed the UI using Tailwind CSS.

Discord Bot Developer
 TPD™ Resmî Sunucusu   September 2023 - Present，N/A
• Developed a Discord bot with a lot of commands to help members with server work and helped them use it.

Full-stack Developer
secim.barisyasaman.com   September 2023 - Present，N/A
• Developed full-stack application using Node.js, Express and React to integrate with Discord API. Utilized to manage and serve data.

Web Developer
 Kişilerarası İlişkiler Psikoterapisi Derneği   August 2023 - Present，Istanbul, Turkey
• Developed a website using React to improve client and customer experience.

Discord Bot Developer
◇ Hera Community   July 2023 - Present，N/A
• Developed a Discord bot with a lot of commands to help members with server work and helped them use it.

Discord Bot Developer
 Türkiye Cumhuriyeti Roleplay | Turco RPG   July 2023 - Present，N/A
• Developed a Discord bot with a lot of commands to help members with server work and helped them use it.

Discord Bot Developer
 ◉ Türkiye Cumhuriyeti Roleplay   June 2023 - Present，N/A
• Developed a Discord bot with a lot of commands to help members with server work and helped them use it.

Discord Bot Developer
Star Wars™: Galactic Rise Roleplay   June 2023 - Present，N/A
• Developed a Discord bot with a lot of commands to help members with server work and helped them use it.

Full-stack Developer / Founder
codexa.app   April 2023 - Present，Istanbul, Turkey
• I created a website where people can share code about software languages with each other.

Discord Bot Developer
◇ Türkiye Cumhuriyeti Roleplay   February 2020 - Present，N/A
• Developed a Discord bot with a lot of commands to help members with server work and helped them use it.

Web Developer
◉ Teen Wolf Roleplay   May 2023 - July 2023，N/A
• Developed a Discord bot with a lot of commands to help members with server work and helped them use it.

Discord Bot Developer
⌘ Birleşik Krallık Roleplay   May 2023 - July 2023，N/A
• Developed a Discord bot with a lot of commands to help members with server work and helped them use it.

Discord Bot Developer
 ☧ Türkiye Cumhuriyeti Roleplay   April 2022 - July 2023，N/A

• Developed a Discord bot with a lot of commands to help members with server work and helped them use it.

Full-stack Developer / Founder

distop.gg   **October 2022 - February 2023，N/A**
• Website for a Discord bot. It was a site that lists all the servers that the Discord bot is in to sorted by some numbers (number of members, etc.).

Backend Developer / Founder

Blindcord   **October 2022 - February 2023，N/A**
• Developed a bot that allows you to chat anonymously using the Blindcord bot on Discord.

SKILLS

JavaScript, Node.js, Express.js, HTML, CSS, Tailwind CSS, MongoDB, SQLite, React, MySQL
